### Graphic Designer, Art director

I graduated 1999 at the Faculty of Graphic Arts of the University of Zagreb. I have worked as an art director and a graphic designer of several magazines and best-selling books and gained a lot of experience in commercial and non-profit sector. I led different teams as National director of STEP, CEO of publishing house, and as a head of several graphic departments. Since 2014, I have designed the main charity campaigns for Croatian Caritas reaching more than 300.000 children each year.
